Re: Vested Benefit from the Retirement Plan of Circuit City Stores, Inc. (the "Plan")

Dear Ms. GIVEN:

The following information concerns your vested benefit under the Retirement Plan of Circuit City Stores, Inc. We encourage you to review it thoroughly and, if you are married, share it with your spouse.

According to our records, you are 100% vested in your accrued benefit under the Plan. Your monthly accrued benefit payable for your lifetime only and commencing on your Normal Retirement Date will be \$377.31.

Your accrued benefit was calculated based on the following information:

Date of Birth:	January 15, 1963
Date of Hire:	July 8, 1991
Date of Termination	December 17, 1998
Normal Retirement Date:	January 15, 2028
Benefit Service at Termination	8 years

Generally, the earliest a distribution can be made from the Plan is after a participant's years of Benefit Service and current age meet the requirements for Normal or Early Retirement. Normal Retirement is the later of age 65 or five years of service. A participant is eligible for Early Retirement after completing ten years of Benefit Service and reaching age 55, or seven years of Benefit Service and age 62. Benefits can start on the first of any month after meeting these requirements. If benefit payments commence prior to Normal Retirement, they will be reduced to reflect the longer payout period.

If you are eligible to start receiving Early Retirement benefits and wish to do so, please send a written request to the Retirement Plan Administrative Committee at the address shown above.

If you die before your Retirement benefits begin and are survived by a spouse, your spouse will be eligible to receive a monthly benefit for his or her lifetime.

Please note that if any discrepancies exist between this information and the Plan document, the Plan document will govern in all instances.

Please keep us updated with your current address. If you have any questions, you may write or call Julie Harrison at the above address or at (804)527-4000 extension 8842.

Sincerely,

Retirement Plan Administrative Committee
